

Do you have a Bauer, FAN, or Doda screw press?

We are pleased to offer replacement wedge wire screens for your machine. **Built here in the USA by Cuff Farm Services Inc!** We've spent 12+ years servicing and installing screw presses. This gave us the knowledge to design and build quality screens to meet the increasing demands put on your screw presses. We currently offer screens for FAN, Bauer and Doda machines.

Bauer / FAN 3.3—780 HD front cage screen (pictured left).

Doda and FAN 3.2—780 HD screen, 390 mm length (pictured right).

520 mm length screens also available for FAN and Bauer machines!

Our screens are field tested and operator approved!

Call today - 315-224-0444.

Also ask about our auger refurbishing services, available for most screw press models (FAN, Bauer, Doda, Cri-Man, EYS).
